Subject Options Document

Tom,

I have completed the first draft of the options paper, attached. This will eventually be presented to the workgroup (soon) and I will seek agreement on the various options. That in turn will then be the basis of the options selection briefing to the AA/RAs. I would appreciate it if you could review and comment on the document. It would be nice to get another set of eyes on this. Thanks. BTW, I think I finished up the FOIA today, I'll coordinate with Emily on getting it out.
